

We are a leading independent Broker delivering financial intermediation services in the main financial centres, on equities and on OTC products (bonds, derivatives): Amsterdam, Frankfurt, Madrid, Milan, New York, Nyon, Paris and Zurich.

For our Fixed Income department based in Paris, France, we are looking for:

## **A Junior Broker Full time**

### **Desk: Repo**

#### **Job description**

---

You will be first introduced to the specificities of Fixed Income and of the Inflation desk, by assisting the brokers in place.

In a second time, you will be responsible for:

- a. developing the client base of your desk,
- b. following up the client relationship.

#### **Required profile**

---

- Keen interest in the economy activity and for the bond business, and good knowledge in these areas
- Achieved apprenticeship, ideally through a Finance Master,
- 1<sup>st</sup> experience in the banking, trading or insurance sector, preferably in an international environment
- Computer literate
- Fluent in English
- Excellent skills in German, Italian or Spanish

#### **Personality**

---

- Ability to work in a team and in an autonomous manner
- Methodical, organised, very precise and rigorous
- Interpersonal skills and ease of integration.

#### **Interested?**

---

If you would like to join a motivated team in an international and dynamic environment, do not hesitate to send your complete application file to Patrick Tamsot, Head of Repo Desk, to the following address [patrick.tamsot@keplercm.com](mailto:patrick.tamsot@keplercm.com)

We are only able to respond to application with described profile
